Carnival Chair's Statement

On behalf of the organisers of Nottingham Carnival 2022, I am pleased to welcome you back after two years absence to another fantastic day of carnival entertainment featuring colourful costumes, lively music, energetic dancing and some great food.

A big thank you to all our many volunteers and supporters without whom there would not be a Nottingham Carnival. In particular, the staff of Tantum Housing Association, the Events Management Team at the City Council and the hundreds of carnival masqueraders who work through many late evenings and weekends making the spectacular costumes that you will be seeing in the parade.
