

WELCOME MESSAGE

On behalf of the organisers of the Nottingham Carnival 2023, I am pleased to welcome you to another fantastic day of carnival entertainment featuring colourful costumes, lively music, energetic dancing, a fabulous funfair, bar, and great food.

Carnival is the time when people of all backgrounds and ages come together in a show of unity to enjoy a display of Caribbean culture on the bank of the River Trent. This year we are celebrating the 75 years since the arrival of the Empire Windrush which brought Caribbean carnival culture to the UK. We are also acknowledging the 65th Anniversary of the first ever outdoor Nottingham Caribbean Carnival which was also held on the Victoria Embankment in 1958.

I hope you enjoy our fantastic parade with amazing costumes made especially for you by carnival artists based in Nottingham and across the country. In addition, on the carnival site we will be entertaining you with over 30 separate musical acts featuring a range of local and national musical talent, plus for the first time in Nottingham the fabulous Lila Ike as our headline act straight from Jamaica.

I would like to give a big thank you to all our sponsors, supporters, carnival team members and other volunteers; especially our hundreds of amazing masqueraders, without whom there would not be a Nottingham Carnival. In addition, I would like to thank the Event Management Team at Nottingham City Council and the committed staff from Tuntum Housing Association who give their time and leadership to make this event a success.

Have a wonderful and enjoyable time at Nottingham Carnival 2023.

Richard Renwick MBE
