

WELCOME MESSAGE

On behalf of the organisers of the Nottingham Carnival 2024, I am pleased to welcome you to another fantastic day of magical carnival entertainment featuring colourful costumes in a spectacular parade, lively music featuring international artists, choreographed dancing, a fabulous Fun Fair and some great international food. All on the bank of the River Trent.

Nottingham Carnival is the time when people of all backgrounds come together in unity and love to enjoy safe and unique family friendly entertainment which owes its origins to the generations of people from the Caribbean starting with the Windrush generation. Nottingham is a city rich in diversity and this is highlighted every year at CARNIVAL TIME.

This year it will be 25 years since **Tuntum Housing Association** and its staff took on responsibility for delivering this fabulous Summer celebration with the help of the many volunteers from the community. Earlier this year the Nottingham Carnival Community Interest Company was established as the lead organiser of the Carnival and will continue to enjoy Tuntum's support in delivering this fantastic event. On behalf of the many thousands of fans of Nottingham Carnival we salute **Tuntum** and thank them for their 25 years of unstinting commitment and support.

I would also like to give a big thank you to our other sponsors, supporters, carnival team members and volunteers, especially our hundreds of amazing masqueraders, without whom there would not be a Nottingham Carnival. In addition I would like to especially thank the Event Management Team at Nottingham City Council whose professional support is invaluable for our success.

Wishing you all a wonderful and enjoyable time at the Nottingham Carnival 2024.

Richard Renwick MBE
CHAIR, NOTTINGHAM CARNIVAL CIC
